Postponement of AGM

In the light of the latest advice from the government, and the likelihood that the situation will deteriorate further before it starts to get better, the Directors/Trustees have taken the decision to postpone the AGM which was scheduled to take place on Saturday 28 March.

We will make an announcement about the new date for the AGM as soon as we can and once the future position becomes clearer.

We intend to make an announcement of the new President on the website on the 28th.

In the immediate future Management Committee and the Directors/Trustees will continue their work and will follow government guidance in doing so. We will work virtually to comply with government social distancing recommendations.

Nic Corry, Chair of the Executive Committee, provided details of the latest advice on Covid – 19 in his email last Sunday. The more recent announcement from England Athletics, 17 March, is on their website <https://www.englandathletics.org/athletics-and-running/news/coronavirus-statement/>

The Club will provide further briefings as appropriate.
