About the race. . .

Edward "Ted" Pepper will be known personally to many reading this programme. He joined Blackheath Harriers in 1961 and represented the Club with success on the road, track and cross country. He was a person who never shirked a duty and who always sought a challenge; it was this latter spirit which led him to compete in the 1978 Three Peaks race, 23 miles over the mountainous region of the North Yorkshire Peaks. In weather conditions as bad as the race organisers had ever known Ted lost his way after passing the final check point and died from hypothermia before he could be found by the rescue parties.

Ted throughout his running career was especially prominent on the road and it was on the road that he won a Kent County vest. In recognition of these achievements and to commemorate his memory the Blackheath Harriers Committee decided to stage the 'Ted' Pepper Memorial Race which it is hoped will become an annual event. The race has been sponsored by Collingwood of Conduit Street Ltd, the company of which Ted was a director. Collingwood have presented the Edward Pepper Memorial Trophy which is featured on the front cover. The Trophy will be awarded annually to the individual winner who will also receive a replica to retain.

Success to the
Ted Pepper Memorial Race
and to its organisers

Experience counts when it comes to producing good slides.

Experience, together with advanced technology, an in-house studio, computerised typesetting and processing facilities has given us a name as one of the foremost slide producers in Europe.

With our experience we can give you all the special effects and accuracy you require, timed to meet your deadlines. And we won't break your budget.

Experience counts.
